Honorable William Casey, Director
Central Intelligence Agency
McLean, VA

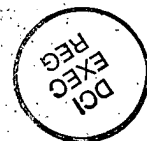

Dear Mr. Director:

I write to extend my warm thanks to you and your associates for the briefing which I received together with other college presidents at the Agency on Wednesday, March 23. I found it informative and helpful, and I was most impressed with the people we met and with what we learned. We are grateful that you and that great Agency are there to serve and protect our great country.

Please convey to your colleagues my warm appreciation and best wishes.

Sincerely yours,

Christopher C. Fordham, III
